Project Proposal - Research Paper

Nate Flasher

Question to Answer

- How does the art and practice of cybersecurity best glorify our living God?

How can I better shape or reword this question?

Details

Length : 10-20 pages

Format: APA

Number of resources: 10ish

Topics and Deliverables as of Now

1. In what way was there security provided in the Bible? Compare that to security today.

2. How is the practice of cybersecurity a reflection of God's qualities or character?

3. How is cybersecurity related to sin?

4. What would be Jesus' response to attacking and cybersecurity if He was here today?

Other subtopic ideas?

Timeline

1. By March 10th, have 3 sources read, understood, and evaluated.
